

# Mayne Island. Closer than you think.

## NATURE

Whether you're on a boat, a beach, hiking, or cycling, you will experience the tremendous diversity of our coastal environment. Fabulous opportunities await at our community, regional, and national parks. Hike to our highest peak in Mount Parke Regional Park, walk amazing coastal bluffs at St. John Point Regional Park, or enjoy a picnic while watching for whales at Active Pass Lighthouse & Georgina Point.

Your senses will awaken in the natural world on Mayne Island. Discover new shades of blue and green, while feeling the stillness and tuning into wildlife chattering all around.

Fresh ocean breezes elicit a sense of discovery while waves tumbling through pebbles bring relaxation. No matter where you are on Mayne Island, you are always nearby a beach access and/or park. Take yourself on a journey of discovery for your senses to see what new experiences you encounter.

## FOOD

Farm fresh, fine dining, and casual delights are all available on Mayne Island. Local farm stands provide food fresh from the field (or barn), while our grocery stores provide all that you need to prepare an amazing meal.

Don't want to cook? Between our restaurants and stores, you'll find meals that satisfy and surprise your tastebuds.

## RETAIL

Visit our shops, markets, and galleries to find products made with love by our local community. The majority of our shops are locally owned and run; you will find experts behind the counters who care about your experience with their products.

Whether you're looking for local artwork, apparel, body products, books, or other goods, you're sure to find unique items in your shopping travels.

## FESTIVALS

Mayne Island has many annual events throughout the year. Holiday celebrations, studio tours, festivals, and fairs are among some of these. Please see our website for dates for these and other events.

## ACTIVITIES

OPPORTUNITIES FOR RELAXATION, ADVENTURE, OR SOMETHING IN BETWEEN ARE ALL AVAILABLE ON ISLAND.

EXPLORING MAYNE ISLAND IS SURE TO HAVE YOU FINDING A FULFILLING ACTIVITY.

### HIKING

Island trails provide the opportunity to go for short strolls as well as heart-pounding hikes; almost all will bring you to a breathtaking view.

### BIKING

Mayne Island's shape leads to the opportunity for a variety of bicycling loops. Please be aware that Mayne Island has many hills as well as narrow, winding roads.

### DINNER BAY PARK

Find the peace of the Japanese Gardens here, as well as a disc golf course, mini putt, playground, and picnic areas.

### WATERSPORTS

Kayaking and paddleboarding are popular activities here. Campbell, Village, Dinner and Bennett Bays all provide great locations for launching.

### ARTIST WORKSHOPS

Many of our artists showcase their work in their own studios, or local galleries. One could spend the day doing your own personal studio tour.

### BEACHES

Enjoy exploring our various shorelines, intertidal zones and swimming holes. Be sure to watch for bioluminescence in the hot months.

### COMMUNITY

Mayne Island is both active and playful. Immerse yourself in a temperate climate amongst a warm, eclectic and welcoming population.

## CELEBRATIONS & EVENTS

Our island features many amazing places to have celebrations and events. Our Community Centre and Agricultural Society Hall, both with kitchen and event space, are available for booking.

We have many amazing parks on our island that also provide wonderful spaces for events; permits may be required.
