May 4, 2015

Dear Millie,

The first Active Pass Nature and Arts Festival has now been held and a team is forming to plan for the second festival in 2016. By all accounts, Festival Active Pass 2015 was a great success and this has a lot to do with the support we received from the Mayne Island Chamber. The Chamber's investment and partnership in creating this first festival at a scale not seen in our community or region before, was very much appreciated. Knowing we had this level of support helped motivate us further to create an inaugural festival that will provide a sound foundation for future festivals to draw upon. In this, we have succeeded.

I hope you can take some time to reflect on and take some pride in what the Chamber has helped to create within our community and region.

With much gratitude and appreciation,

Kind regards,

Michael
