

## November Mayneliner

Happy November! For the board and staff of the Chamber, this month means Spaghetti Dinner time. We are busy getting ready for the event, which will take place at the Community Centre on November 13<sup>th</sup> at 6pm. We will once again have a delicious meal cooked by Sue Duncan. This year's menu is: spaghetti with a choice of vegetarian or beef and mushroom sauce, Caesar salad, garlic bread, tiramisu, and tea or coffee. Wine will also be available at \$5 per glass. Please RSVP to this event by November 6<sup>th</sup> so that we can help Sue determine how much food to prepare.

This year we will be leading a discussion at the Spaghetti Dinner regarding how the Chamber can help the community move forward with yet to be selected infrastructure projects. Ideas for possible projects will be introduced at the dinner, and we are hoping the conversation will help narrow down the projects to a key few on which we can focus. Additionally, hopefully all Chamber members have now received an online survey, designed to gauge your interest in certain project ideas. This way, if you are not able to attend the dinner, input can still be provided. Also at the dinner we hope to identify a few people who would be willing to participate in a strategic planning event that would be the next step in getting projects up and running.
